04 QUICK-START CHECKLIST

POWER ON

01

Connect 5V USB-C power to the Husku-X unit. Wait about 1 minute for the system to boot automatically.

CONNECT

02

Tap the left NFC tag or connect your phone to the "Husku-X" Wi-Fi hotspot.

LAUNCH UI

03

Tap the right NFC tag and wait for the user interface to load in your browser.

PLAY

04

Select your active setlist in the browser and hit Play.
